Track employee attendance

Eliminate buddy punching in the workplace

Is your business still using traditional punch clocks for tracking employee time? Switch to our easy to use online Time Clock app and say goodbye to expensive hardware:

- ✓ Employees login in using a unique 4-digit pin
- ✓ Facial detection captures a photo of the person
- ✓ The manager is notified if a buddy punch occurs
- ✓ Set up as many kiosk locations as you need

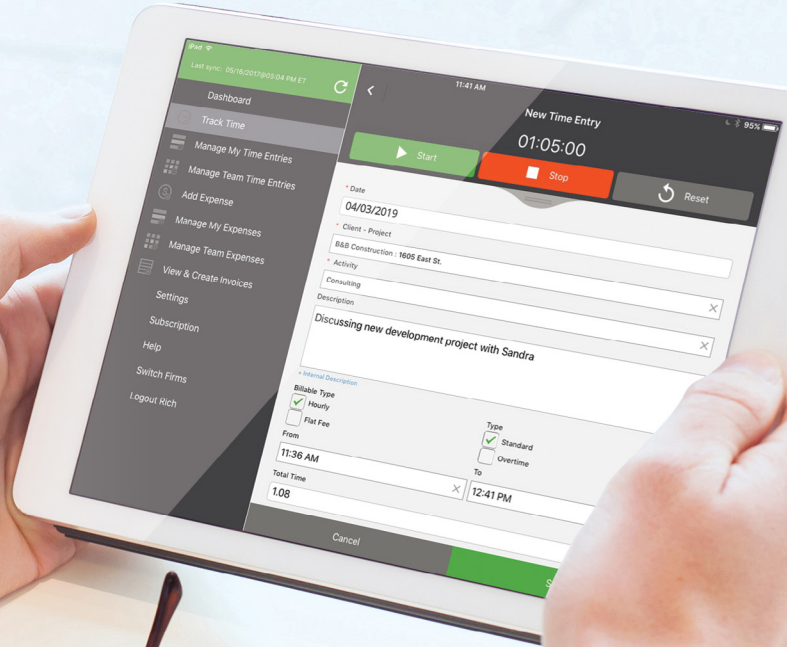

Ensure profitability on every project

Accurately forecast labor and material costs

Tracking time and expenses on current projects will provide insights into job costing in the future. With our +Billing add-on, you can easily:

- ✓ Run productivity insight reports by employee, project and activities
- ✓ Easily identify who the most productive team members are
- ✓ Learn what aspects of a project are taking up the most amount of time

By knowing where your time and expenses are going, you will be able to accurately bid on your next project.
